ABDULLAH AL MAHMOOD

has successfully completed the online, non-credit Specialization

Leading the Modern Day Business

Congratulations! You have completed all four courses of Leading the Modern Day Business - a Specialization from The Darden School of Business, University of Virginia. As part of this Specialization, you have learnt the essential skills and concepts of leading a modern-day business, ranging from design thinking and digital transformation, to product management and IT. You are now equipped to lead a dynamic enterprise, having learnt what design thinking is and when to use it, digital product management, story-telling, and much more!
